*\*Class A Notes are no longer available for purchase*

The percentage indicated for annual yield assumes monthly compounding of interest and that the rate remains unchanged for one year. Some notes bear variable interest rates, and your yield will vary as a result. Please call Ministry Partners Investment Company, LLC to confirm current rates and to request a Prospectus for complete details.

This announcement does not constitute an offer to sell or a request to buy, nor shall there be any sale of these securities in any state in which an offer, request or sale is not authorized. This offer is made only by our Prospectus.

Securities products offered by Ministry Partners Investment Company, LLC are not deposits of, obligations of, or guaranteed by any credit union. They are not insured or guaranteed by the NCUSIF or any other government agency or private insurer. These products involve investment risk, including possible loss of principal.
